

### Visit Cherry Part Automotive For Quality BMW Service

If you have a BMW, you want to entrust its care and maintenance to the most competent auto service in the area. You bought the car for its precise engineering, and you want to make sure that you protect your investment with top quality, proficient service.

### We Service All Models

At Cherry Park Automotive, we are prepared to help you take care of all models including the I-7 series, X, Z4, M, and hybrid. Our commitment is to provide you with quality service at a fair price. Unlike some other shops that price gouge high-end car owners or whose lack of experience increases repair costs because they are not quite sure what to do, the mechanics at Cherry Park Automotive are manufacturer-trained to do the job right. Plus, we have an appreciation for this renowned brand loved by all car owners for its quality and excellent ride.

### BMW Repairs, Routine And Major

Our services extend from basic maintenance to more extensive repairs. We can do the [oil changes](#)

, brake repairs, cooling system maintenance, and other routine matters when you need them, as well as more extensive electronic, engine, and transmission repairs. Using genuine BMW parts and following their service manual, our technicians will ensure that your BMW retains its performance characteristics and its value.

### Three Convenient Locations For BMW Service

Serving NW Houston, including Cherry Park, Copperfield, and Jersey Village, Cherry Park Automotive is ready to [service](#) your BMW.

To schedule an appointment at our [Cherry Park](#) or [Jersey Village](#) locations, call **(832) 593-0077**.
