Owning a Mercedes means that you value auto craftsmanship. When it is time to get it repaired, you want to make sure that the service technicians who work on it are highly qualified car lovers who know that they are not repairing just a car, but a piece of automotive artistry.

We Service All Models

Whether you have a C-class, E-class, or S-class sedan or a coupe or SUV, the mechanics at Cherry Park Automotive have the specialized training from the manufacturer to keep your car in excellent condition at a reasonable price. Our knowledge enables us to pinpoint the problem without delay so that we can get your vehicle back to you as quickly as possible. Because we value great engineering and craftsmanship as much as you do, you can be sure that we will treat your car with respect as we help restore it to excellent condition.

Mercedes Repairs, Routine And Major

Even basic repairs on a Mercedes such as oil changes, brake repairs, and [cooling system maintenance](#) can be tricky. At Cherry Park Automotive, we do maintenance and repairs as the manufacturer requires, according to their service manual. For any repairs or maintenance we do, minor or major, such as repairs to your transmission, engine or electronic systems, we always use genuine Mercedes parts so as to preserve your manufacturer's warranty.

Competent, Convenient Service

We serve all of NW Houston, including Katy, Cherry Park, Copperfield, and Jersey Village, Cherry Park Automotive is the place to call when you need Mercedes service. We can handle all your [car repair](#) needs.

To schedule an appointment for an oil change or belt and hose inspection at our [Cherry Park](#) or

[Jersey Village](#)

locations, call

(832) 593-0077.
